RE: Request for formal Attorney General's Opinion

Dear Sir:

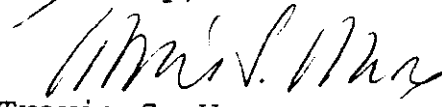

Since there is no specific statutory or case law that is directly on point, we have been unable to resolve the following question before us. We respectfully submit this question for your consideration, and do hereby request a formal Attorney General's Opinion on the following matter.

**QUESTION:**

For the purpose of calling a local option election under the Alcoholic Beverage Code, is a "residence address" listed on the petition sufficient if it does not contain a city, state or zip code?

Any assistance which you may provide in the resolution of the above question will be greatly appreciated.

Sincerely,

  
Travis S. Ware  
Criminal District Attorney
